values

nothing is value neutral
nothing is apolitical

morality

ethics

meta-ethics

“What is the meaning of goodness?”

normative ethics

“How should one act in this situation?”

“What is the standard for right behavior?”

applied ethics

“What should a technologist do when...”

why are we talking about this?

“if we cannot talk about our experiences, we cannot do ethics at all”

ethics \neq justice

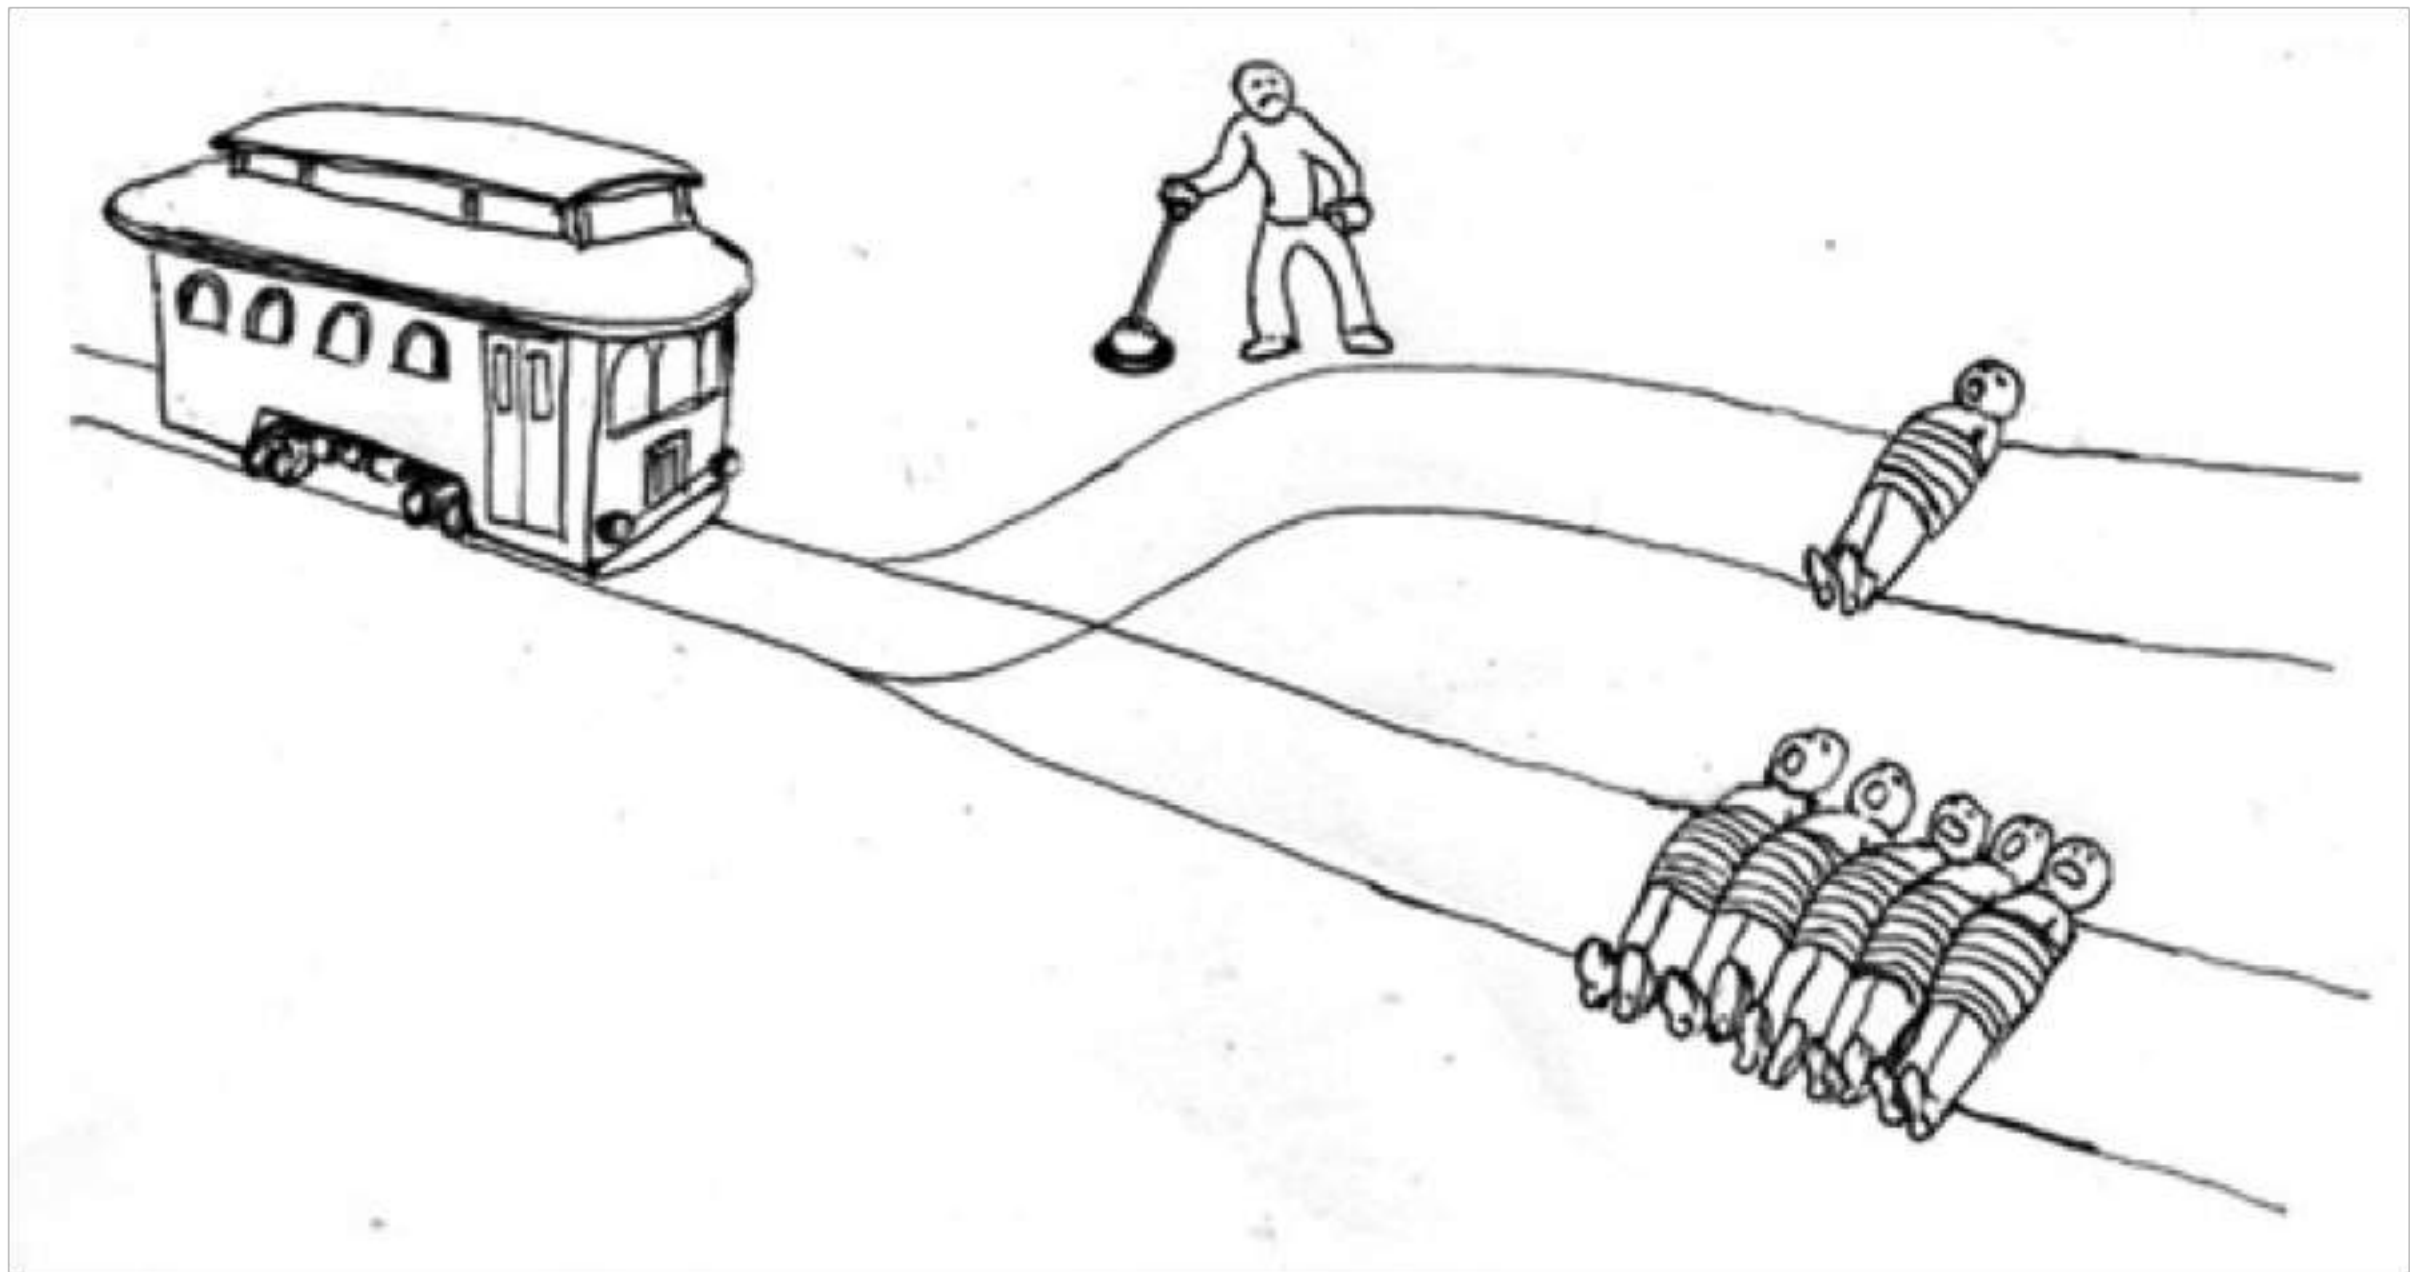

knowledge = power

power = responsibility
