A black and white photograph of firefighters at a scene. The firefighters are wearing helmets and gear, and are positioned around a structure that appears to be damaged or under construction. The scene is somewhat dark and grainy, with a focus on the firefighters. The text "SAVE LIVES" is overlaid in large, bold, white capital letters across the center of the image.

SAVE LIVES

**More than 8,000
thousand Peruvian
firefighters are
using
the application.**

The image shows a screenshot of a news article on the La República website. The browser address bar shows the URL: <https://larepublica.pe/empresa/1156959-bomberos-podran-llegar-mas-rapido-a-emergencias-gracias-a-app-creada-por-jovenes-peruanos>. The website header is red with the La República logo and a navigation menu. The article title is "Bomberos podrán llegar más rápido a emergencias gracias a App creada por jóvenes peruanos". The text below the title states that graduates and students of the Universidad Autónoma del Perú created an app to help firefighters reach emergencies faster. The article is dated 12 Dec 2017 at 10:02 h. There are social media sharing icons for WhatsApp, Facebook, Twitter, Email, LinkedIn, and Print. A sponsored content section on the right features a teddy bear, a movie trailer, and a digital summit advertisement. The Peru Bazar logo is visible at the bottom right of the article.

A photograph of three young adults, two men and one woman, standing in a modern, brightly lit room. They are holding white certificates or awards. Behind them is a large white wall with the text "LO ÚNICO IMPOSIBLE ES AQUELLO QUE NO INTENTAS." written in a bold, black, sans-serif font. The room has a clean, minimalist aesthetic with white walls and a light-colored floor.

Últimas noticias

A photograph showing a person wearing a white lab coat, a white face mask, and a white cap. They are leaning over a table, looking through a microscope. The background is slightly blurred, showing what appears to be a laboratory or office setting.
